

Declaration of RoHS Conformity

PowDec's intent is to offer products that allow you to be in compliance with the RoHS (Restriction of Hazardous Substances) directives 2002/95/EC of the European Parliament. We hereby confirm that we will provide products that meet these directives.

Content of Compliance:

1. Cadmium and its compound : Content is 100ppm or less (by weight)
2. Hexavalent chromium compound : Content is 1000ppm or less (by weight)
3. Lead and its compound : Content is 1000ppm or less (by weight)
4. Mercury and its compound : Content is 1000ppm or less (by weight)
5. Polybrominated biphenyls (PBBs) : Content is 1000ppm or less (by weight)
6. Polybrominated diphenyl ethers (PBDEs) : Content is 1000ppm or less (by weight)

Products and Delivery:

We are willing to commit to provide RoHS compliance products, but fulfillment of compliance is dependent upon general availability of parts and material in the market.

The delivery date for RoHS compliance products will depend on our inventory and material availability. Please contact our sales representatives for details.

How to Identify

The date code on of each unit with RoHS compliance will become BBBBWW-R instead of BBBBWW now used.
